SCAVENGER HUNT

MULTIPLE LOCATIONS IN HONG KONG

Great for:

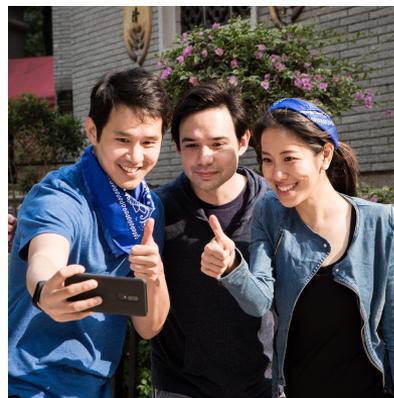

Bonding through shared experience

City exploration

Creative problem solving

Ready to go outside and explore the city? Our signature scavenger races allow your group to play in teams but still have the same shared experience collectively!

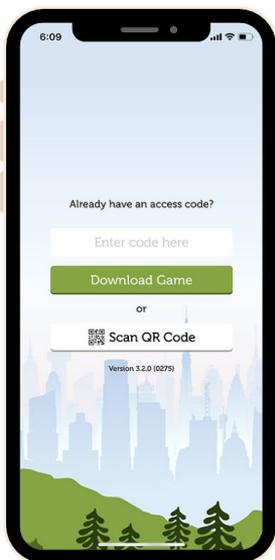

Our scavenger hunts take urban discovery games to a whole new level. While solving clues and tackling photo and video challenges, your team will need to bring on their A-game in strategies, communication and teamwork.

WEATHER POLICY

The game will take place rain or shine unless:

- the T8 signal or the Black Rainstorm Warning is hoisted; or
- if the weather forecast is so unfavorable that we deem it undesirable for participants to enjoy our game

We will monitor the weather and aim to contact you 2 days before the game to discuss about rescheduling the game or opting for an alternative indoor game.

Our rainy day options include our all-indoor scavenger hunt in Central and Tsim Sha Tsui and many other scavenger and survival games that can take place in the comfort of an indoor venue.
